Hello Everyone,

We are looking forward to our meeting on Wednesday evening. This is challenging and exciting work and we know that through our collaborative efforts, we can make a positive impact on our district.

We will follow the common protocols for a large meeting by muting as we enter the meeting. If you have a question as we proceed through the agenda, please type your name in the comment section and we will make sure you have the opportunity to ask your question.

Zoom will be the meeting platform we use and the information can be found below.

For Wednesday's meeting, our agenda is as follows:

- Introductions
- -Why are we doing this work?
- -What do we hope to accomplish through this work?
- -Book Study
- -Our process moving forward

Have a great day!
