Hi Mary,

It is great to hear from you. I hope you and your family are well during this time. Melissa and I will look at our schedules and get back to you with some times to touch base.

Best,

Chris

Hi Chris and Melissa,

I'm not sure if this is a good time to write or not, but I thought maybe June could be a good time to connect. I totally dislike Zoom (I'm sure we all do) but I would love to touch base as it may be quite some time before we are able to meet again in person. As #georgefloyd reminds us today, there's a lot of healing work yet to do.
